

Johnny Bright, campaign chairman Edmonton District Unit of the Cancer Society, came out to St. Albert last week to receive a cheque from the members of the CWL who organized the Cancer Blitz on April 19.

The blitz realized a total of \$3,248.04 a 25 per cent increase over last year.

Mr. Bright told the CWL committee that the enthusiastic and well-organized blitz, plus the generosity of the residents, is an example to the province which he would personally recommend during his year as chairman. Johnny says a big thank you to all in St. Albert who gave of their time and money.

Sharol Christensen displaying "first time I tried it" form, has decided she would really like to take up the game at the St. Albert courts this summer.

Photo by Vic Post.

Everybody has a fistful of money and cheques for the Cancer Society! The occasion was Johnny Bright's call at the Vienne home last Thursday to pick up the funds from the cancer blitz organized by the CWL. Anne-Marie Vienne, president is at left with Tricia Young, Johnny Bright, campaign chairman Edmonton unit, Marg Moran and Bridget O'Keil.

Council Approves Reservoir Complete With Courts

Council Monday night approved, by a vote of 5 - 2, a bid of \$185,064 from M & M Construction Ltd. for a two million gallon water storage reservoir which will include three tennis courts located on the roof of the facility. The site of this project is just a short distance east of Sunset Boulevard and will ease the town's borderline water supply situation.

There was no such thing as unanimity on this question as the topic was being discussed. One point of contention was the tennis courts. Councillor Kambourff was of the opinion that the alternate price for a storage reservoir only of \$177,564 should be accepted and, "let's put up tennis courts elsewhere, in a more suitable setting and possibly for less money," he concluded.

While dialogue was going on, town engineer J. Mandag directed council's attention to a letter from the Department of the Environment, signed by R. N. Briggs, chief scientific officer, whose letter says in part, "Please be advised that the approval of the storage reservoir is being withheld until such time as we have received confirmation that the town is proceeding with the sewage treatment facilities previously outlined."

A cry of "blackmail" ensued from some of the councillors. "They can't tell us what we can and cannot do," said another. When tempers settled down, the stabilizing voice of Councillor Bakker rose above the din with the

suggestion that Mayor Gibson see the minister of the environment W. Yurko soon as possible. Some of the councillors thought it would be better to try and reason things out with Mr. Briggs. The vote on this motion was 5 - 2 in favor of seeing Mr. Yurko.

So, regarding the reservoir plan, council has approved the lowest bid of \$185,064 including three tennis courts. The dissenting votes on that motion

came from Mayor Gibson and Councillor Kambourff. On the other, but related motion, regarding the Department of the Environment's withholding of a go-ahead permit pending conditions, councillors Luky and Hudson voted against the motion that Mayor Gibson meet with the minister. They were both of the opinion that the question could be resolved with the chief

Continued on page 2.

'Superstar' will play at Cathedral

The Pitch and Spice production of "Jesus Christ Superstar" will be shown at the Cathedral on Saturday, May 13th, beginning at 8:30 p.m. and again the show, done so amazingly well by singers and musicians only in their teens, is expected to draw a capacity crowd of about 1,500. Tickets will be available at the door only.

The performers will get back May 8 after doing two performances in Grande Prairie, which were sold out in advance. Another rehearsal will precede the Cathedral show, so it is a strenuous time for the young people and their Director Father Duchesneau. They have also been invited to Mayarhorpe, but are thinking about their studies as well and are not decided on that showing.

Drumheller and Lethbridge have requested "Superstar" in the fall, and

plans are to take the production to those two centres. The young people are thus proving excellent ambassadors for St. Albert, as well as fine musicians.

Bedding Plants

The St. Albert Lions Club are organized for a big bedding plant sale at Lions Park, beginning May 20. Chairmen Dick Ryley and Ed L'ouvier are working with suppliers in the St. Albert area and they will be taking orders for shrubs as well.

In addition to the convenience for St. Albert residents, the park is an ideal site for the purpose, and the project will help finance the Lions community service work. For advance shrub orders telephone Dick Ryley at 599-8379.

St. Albert Public School District No. 3 has rescinded a motion passed last week to go to the polls to seek \$57,000 over its allowable supplementary requisition. The vote was unanimous.

At a special board meeting held Monday evening, chairman David Fraser advised the board that all possible consultative resources were exhausted in an attempt to gain consideration from the Department of Education to maintain its mill rate the same as in 1971.

The decision by the board not to go to a plebiscite will result in a lower education tax for public school supporters for 1972.

A firm mill rate will not be struck until the Department of Education releases its grants to the School

Foundation later this month.

The move will mean that the catholic school board, which operated near the black in 1971, will be in a deficit position in 1972. This is the final year under the former government's three year flexibility-factor plan through the school foundation grant program.

Through consultations

Strike Out looks good!

An interesting line-up of sport celebrities will be on hand for "Strike Out" - the second annual Sportsman's dinner and dance by the St. Albert Willowbrook Saints Baseball Club, and versatile Wes Montgomery of the ready wit, will again be master of ceremonies for the popular event, being held at the Bonaventure Motor Hotel, on May 13.

with the minister of education the board will be able, however, to recover some money, which will reduce the deficit.

"All possible economies will be effected this year, but we will endeavour nevertheless to maintain the same standards as last year," said Chairman Fraser.

Bill Hunter of the WHA, Ray Jauch, head coach of the Eskimos, Clare Drake of U of A, Susan Natrass of trap shooting fame, Al McCann, sports director CFRN, Ernie Afaganis, CBC sports director and Mayor Ray Gibson, are billed as guest speakers at the banquet. Which would lead

Continued on page 2.

Bike-a-thon checkpoint at Lions Park was a busy spot here last Saturday and according to Lions who manned these checkpoints, "It was a chilly but very rewarding job." Although the two young cyclists were not identified, the adults on the right are: Bob O'Donnell, Bike-a-thon co-chairman, Stan Schottland, incoming president and standing behind Lion Schottland is Gordon Sluder, wearing a plaid capeau. The Gazette wishes the two unidentified young cyclists to phone us at 599-7144 and give us their name in order that we may give them an honorable mention in our next week's issue.

us to believe that all are known for their brevity?

The action gets underway at 6:30 at the Continental Room and tickets at \$7.50 per person are available from Rudy Scheibelhofer, 599-7335; Ed Howorko 599-8881 or any one of the Saint's ball players. The affair scored a big hit last year and it might be a good idea to get your tickets early.

Council

Continued from page 1.

scientific officer R. N. Briggs.

Concluding the question on a humorous note, Counsellor J. deBruijn, with tongue-in-cheek suggested that the St. Albert Storage Reservoir 1972 project be renamed, "St. Albert Tennis Court Project with Water in the Basement 1972." The laughter this brought about indicates that Counsellor deBruijn's proposal passed unanimously.

LETTERS

The irony of the story is that Peter J. Divizich was himself a vertically integrated operator who, while feeling comfortably secure, fell victim to the processes that govern our society.

Mr. Divizich was not the type of farmer that would have been inclined to become a member of a farmers' union.

Perhaps today he may be wishing he had.

William (Bill) Dascavich

The Editor:

Let's forget! Let's forget! Respectfully dedicated to my Hero of the Highway. Who is my Hero? The man who by his toll, his daily task of construction of many paved roads by which we can travel. To the show, the far afield, to view nature in its vastness, the glorious landscape ever changing, always beautiful, a panorama of delight to prince or peasant, to lovers, artists to the housewife and her dear man. All this and much, much more he made accessible to us in comfort, by reason of the beautiful highways my hero with the capable help of his accomplished team have given us smooth travelling, in this our wonderful Province. To that sweet little lake, that charming valley and oh! that lovely grove of pines that mountains now made easy to reach the top by the easy graceful grades - and that Crimson Lake and Rocky Mountain scenery we so much wanted to see. The growing cities - the parks - the skiing slopes. They can all be reached thanks to my hero and his team. What a lasting memorial to man's effort to please fellowman. And how very wonderful to see the glories of nature to refresh our tired bodies to awaken the soul, sometimes overburdened with the worries of life.

I can go for a drive and watch all the signs of the road placed to help you, and travel. Get your first taste of Heaven. Oh! yes I haven't mentioned the name of my Hero, but you will have guessed (fan-fare) Mr. Gordon Taylor, Hon. Minister of Highways in the Social Credit Government. Let's we forget.

Mr. C. Brumfit.

EDITOR'S NOTE: The author of the above letter just recently celebrated his 99th birthday and we feel it's a singular accomplishment for a man of that age to be able to communicate his thoughts and show his vivid appreciation for life.

The extinct, 10 foot tall elephant bird, or Aepyornis maximus, laid a 20-pound egg that equaled about 250 of today's Grade AA eggs, the National Geographic Society says.

POSTAL CODE POSTAL

Shelley Buma, six year old daughter of Mr. and Mrs. John Buma of 7 Grosvenor Blvd., won first place in the girls' vocal solo competition, (6 - 7 year old category) at the Kiwanis Music Festival. The date was April 25, at the Jubilee Auditorium. Shelley is in her second year of voice training, and this was her first festival. Her music teacher is Mrs. E. Pasieka of Edmonton. Shelley's neighbor, 14 year old Jimmy Bosiak, who takes photography at Sir George Simpson School, took the picture.

Decoupage show n at W.I. meeting

The St. Albert WI held their April meeting at the home of Mrs. Marg Fechter with 18 members and five guests present.

Mrs. Marg Dolman gave a demonstration on how to make decoupage, an attractive wall hanging.

Mrs. Marilyn Henry reported the results of the recent handicraft competition at the constituency conference. St. Albert took first honors in the judging as in many years past.

Mrs. Doreen Robinson, as our delegate to the conference gave a report on the interesting speakers and the day's events.

It was agreed that the institute buy the bedding plants from Laura Henry, a member, to decorate the grounds of the community hall, a project which the St.

Judy Prouse to speak to AARN meeting

The St. Albert Chapter of the AARN will hold their annual meeting on Tuesday, May 9 at 8:30 p.m. at the Purple Dude.

After a smorgasbord supper a report will be presented on the year's activities.

Miss Judy Prouse, past president of the AARN North Central District Executive, will keynote a discussion on the future of the AARN and will focus particularly on chapter life. Particular attention will be given to the functioning of the St. Albert Chapter and the ways it can best serve its members.

For further information please contact Hilda Stiff (599-3571) or Betty Scharf (599-7000).

Lion Cyclists Roar To Great Bike-A-Thon Finale

The St. Albert Breakfast Lions Club was more than pleased with the turnout, in spite of the weather last Saturday, for its annual Bike-a-Thon. The children and adults that rode were well sponsored and the

This Week in St. Albert

Tonight's the night to welcome the local volunteers who will be calling for the Winnifred Stewart School for Retarded Children Blitz, if they did not get to your house earlier in the day. They are in real need of assistance for a badly needed building program in the wonderful work they do for these children.

On Saturday boys of the 4th St. Albert Scouts and Cubs will be going door to door in their district, Grandin area, to gather up papers and boxes, magazines and paperbacks etc. for their paper drive. There is also a bin at the parking lot at town hall and residents will be doing the young fellows a good service if they will deposit their papers there.

To find a lovely and unusual gift for Mother's Day drop in Friday or Saturday 9:30 a.m. - 9 p.m. at the sale in Grandin Shoppers Mall (Across from Safeway). The parents French group are sponsoring the sale of native crafts with displays of bone carvings, bead and leather work, juniper root, candle holders, and wood carvings. Price range from 75¢ up, and there are some \$5 pieces.

Brownies and Guides of St. Albert Division will be calling on Saturday from 9:30 in the morning with cookies for sale, a handy way to stock the jar!

Breakfast Lions Club would like to take this opportunity to thank the citizens for their support.

In view of the fact that many did not ride because of the weather, the Lions will conduct a repeat performance next Saturday, May 6, same time, same route.

The Bike-a-thon is not really a success until all monies are collected and deposited. Participants are asked to do this as soon as possible -- it is easier now when still fresh in your mind -- and deposit the pledges at either the Credit Union on Perron Street or the Bank of Nova Scotia, Grandin Shoppers Park - Bike-a-thon account.

Some highly-sponsored riders like Bob Sellers, Maurice Gervin, Tony Raven and Fred Falk accounted together for over \$800 of pledges. Special mention

MRS. ANNEMARIE ELKINS of 31 Salisbury Avenue was one of the hardy types to brave the chilly weather Saturday.

should also be made of other riders who brought in hundreds of dollars in pledges, such as Father Jake Joly, John Arnot, M. J. Barton, Bob Hudson, Jim Maguire, John Westra and many others who all contributed toward making the Lions Breakfast Bike-a-thon a real success.

Although an exact number of participants hasn't been compiled yet, it is estimated that about 140 adults and children rode the Lion's Bike-a-thon route last Saturday. Riders didn't complain about the weather but the staff manning checkpoints found the wind real chilly.

Council Roundup

Council passed by-law 16/72 in second and third reading, thus giving the developers in the Forest Lawn replant area the go-ahead. This proposal first came to council in March of this year, at which time petitions were studied as they were received from ratepayers living within and outside the proposed development area. Both petitions were found in order and the town acceded to them, therefore, by by-law, authorized construction of required improvements. The motion for both second and third reading was unanimously passed.

Another by-law came before council, this one being for the establishment of a new Preventive Social Services by-law as amended at the committee meeting April 24. Council approved to have this by-law come before the next committee meeting.

Council will continue drafting the current issue of the budget at another special meeting Saturday morning May 6 at 9 p.m. These meetings are held in camera.

Councillor Rene Kam-bourff was appointed deputy mayor for the month of May and June, Councillor R. Hud-

son has just completed his two-month term as deputy chief.

Councillor Bakker suggested during the 'new business' period that the mailbox, located on Ball Avenue be removed now that the town has a 'no parking' by-law going into effect June 1 on that avenue.

Town engineer J. Man-

daag reported to council that his department was keeping abreast of safety precautions being enforced on construction sites. He specified such safeguards as barriers, flares and the such. He also revealed that he was in touch with the town solicitors regarding the legal aspect of the situation.

Mayor Ray Gibbon announced that he would be absent from council meetings from June 5 to 26. He did say that he would attend one

meeting during that period but in all, he wishes to take his leave for a total of about three weeks.

Applications for the position of secretary-treasurer were studied in camera and it is hoped this newspaper will have an announcement regarding the appointment next week.

Church Parking Appeal Rejected by Council

Four appointments were dealt with Monday night by council, the first one to be heard was Capt. M. Bond of the Salvation Army, next came Mr. P. McCaffery who presented his case on behalf of the Bicycle Club, then Mr. R. Thorpe of Cedarburg Homes pleaded his case to erect directional signs and fourth was Mrs. C. Watsmanuk who sought council's blessings to operate a nursery school in her home.

Besides the above appointments, council received a delegation from the Elim Pentecostal Chapel objecting to the "No Parking" by-law 17/2 on Ball Avenue. Spokesman was Ken McAmmond who told council that his church felt this by-law was unfair in that the church's parking facilities are not completed, that traffic on Ball Avenue during Sunday services is at a minimum and also explained that parking on Ball Avenue would only be used on rare occasions when his church celebrated extraordinary functions. Mr. McAmmond also mentioned that parking was allowed on St. Vital in front of the Roman Catholic Church and "nobody seems unduly concerned about that."

The objections brought forth by the Pentecostal Church delegation were received and discussed. Mayor Gibson voiced his concern for the safety of youngsters darting out from between parked cars and voiced his

strong approval to have all parking banned on Ball Avenue. Councillor Thronson suggested that council might look into the possibilities of putting up signs, worded in such a way whereby members of the Pentecostal Church could park there during certain hours on Sundays. When the vote was recorded, giving by-law 17/2 third and final reading, the motion was passed 7-0 in favor of no parking on Ball Avenue and a portion of Perron Street.

Capt. Mel Bond of the Salvation Army explained to council that the Army was no longer associated with the United Community Fund and therefore had to raise funds on its own. Mr. Bond asked for a town grant and for permission to canvass St. Albert Monday, May 15 between 6 and 9 p.m. Council gave the Salvation Army representative the green light to canvass but referred to it to canvass but referred his application for a grant to the next council budget study meeting.

P. McCaffery, on behalf of the St. Albert Bicycle Club requested permission from council to close the club's racing circuit Sunday June 4 between 2:30 and 4:40 p.m. The route starts from the corner of Sir Winston and Grandin Rd., up Grosvenor Blvd., across on Gatewood Avenue and back on Sir Winston to the starting point. Mr. McCaffery's prime concern included setting up four barriers at the entrance to and exit from Glenhaven Cres. and Gresham Blvd. He explained that these four barriers would be manned while the entire route would also be controlled to make sure that safety prevailed. When asked if residents of the "route area" could enter or exit, Mr. McCaffery assured council that there would be no problems in this regard. He repeated that his club only wanted the route free of motorists during the two-hour race.

In a letter, dated May 1, 1972 S/Sgt. B. F. J. Brown of the RCMP Detachment in St. Albert registered his opposition to the proposed closure of the bicycle route. He stated in his letter that the Bicycle Club would require at least 16 control points along the route. He also pointed out that residents of the area would more than likely object to bicycles wizzing past their property and also mentioned the possibility of an ambulance or a fire truck having to make

an emergency trip into the area during the race.

These points were acknowledged by Mr. McCaffery and he assured council that these problems had been foreseen and will be dealt with efficiently.

Corporal S. Fookes of the RCMP, attending the meeting on behalf of S/Sgt. Brown assured council and Mr. McCaffery that the police would help in every way they could during next Sunday's race.

Mrs. C. Watsmanuk appeared before council to discuss her application for a business license to operate an art nursery school. She explained that she had purchased a residence in St. Albert in which she had planned to operate her school for young artists. Council told Mrs. Watsmanuk that her application would have to undergo serious study because, "we don't sanction businesses operating out of private homes." The application was referred to committee for a staff report.

Frank Carnahan accepts DND posting

Frank Carnahan, principal of Robert Rundle Elementary school has been selected by the Department of National Defence for an overseas teaching post, for two years service. In effect Mr. Carnahan is on loan to the DND by the St. Albert School District #6, and remains under contract to District 6.

He has not yet received detailed instructions or the location of the posting, but he expects it will be to southern Germany. He and his family will be flown by service aircraft from Trenton, Ontario sometime in August. Frank and his wife, Jay, have three children in an age bracket which they believe will give all of them a rewarding and educational experience over the two years. Brian, age 12 is in Grade 7, Michael, 11, in Grade 6 and Heather, 8 years in Grade 2.

Rod Thronson goes to Robert Rundle, from Sir Alexander Mackenzie School as principal, and Lowell Thronson, will move from principal of Leo Nickerson to the same position at SAM. An appointment will be made by May 30 of a principal for Leo Nickerson school.

The Carnahans have made their home in St. Albert for

10 years, and Frank has been active in tennis and badminton clubs, (he also skis), the Breakfast Lions Club, the United Church, where he is a choir member, and the ATA local and sub-locals.

In 1966 and '67 the family were in Kirkcaldy, Scotland, on a Teachers Exchange

program, when Mr. John Anderson, a vice-principal from Scotland was in Sir George Simpson School here

The gym at Vital Grandin school was packed for the Karate demonstration by the Japanese Karate School in Edmonton last Wednesday evening. It was an outstanding display of the art which completely fascinated the boys of Landing Trail District Scouts and Cubs and their fathers, who formed the greater part of the audience.

Bowling Season Ends for Young Grandin Bowl league

The youth bowlers of St. Albert finished the current bowling season in grand style. Sunday saw 41 of the bowlers take part in the northern Alberta bowler of the year roll offs and the Northern Alberta team championships. The bowler of the year finalist for Grandin Bowl was Jim Bosiak who bowled 144 pins over average. Jim won the trophy. The team championship was won almost exclusively by our staunch rivals from Fort Saskatchewan, St. Albert finished up with four second places and two third places in no case was there more than 90 points separating the winners from the runners up. As far as was humanly possible the six competing teams from Grandin Bowl were picked from youth bowlers who had not had the opportunity to compete previously. On the Tuesday prior to the event Mr. Ken Ahronson and Mr. Eric Robinson conducted a

bowling clinic for all the team members, which appeared to work wonders both at the normal Saturday morning bowling session and also at the competition most youth bowlers improved their average by at least five points.

Youth bowling is terminated until next September. The bowling season this year lasted for 30 Saturdays and saw 15 major competitions played mostly on Sundays. 144 bowlers enrolled and another 150 are on a waiting list. Bowling for the 1972-73 season will commence early September. Watch this paper for the en-

rollment date. Enrollment will be as in previous years on a first come first served basis.

The wind-up party this year will be at the Purple Dade at 10 a.m. on Saturday May 13. Something like 160 trophies will be distributed during the program. Youth bowling in St. Albert is a St. Albert Breakfast Lions project and is co-ordinated by Lion Eric Robinson with the very able assistance of Miss Kim Popoff, Mr. Garth Roberts, Mr. Ken Ahronson, and Lion Rick Schuchard another instance of the community helping the community.

Mite Soccer

Two closely-fought games saw the Rangers defeat the Mustangs 2 - 0 and the Saints edge the Rovers 1-0, in Monday night play.

Mite games are scheduled for every Monday and Wednesday, beginning at 6:45 p.m. and using the pitches at Robert Rundle and Sir George Simpson schools.

The new recruit didn't salute the colonel. "Do you realize who I am?" snapped the colonel. "I run this entire camp. I'm in charge of 25,000 soldiers!"

"You got a good job," replied the recruit approvingly. "Don't louse it up."

A disappointed wife reports that her husband gave her a household hint on what to do with her old clothes: "Wear them."

It would appear that Liz Emmerson is taking a practical swing, but in fact the photographer used a fish eye lens and Liz actually hit that ball in the foreground a healthy wallop. Tuesday was the opening day tee-off for the ladies golf club, starting at 8:30 a.m.

Lady curlers turn over office

The St. Albert Ladies Curling Club held an executive meeting April 25 at the home of past president Shirley Fisher to turn over offices to the new executive.

Incoming officers are Kay Carmichael, president; Betty Fenton, vice-president; Jan Muir, secretary; Karen Schultz, treasurer; Val Parent, draw convener; Sally Oakes, chairman girls curling; Lynn Johnson, bonspiel chairman and Blanche Glaister, Joanne McGregor, Lota Whitford, social committee, Nancy Whalen is the club's senior delegate to the

NALCA and past-president Shirley Fisher is the junior delegate.

The meeting was followed by refreshments and a lightful buffet lunch.

Patricia Mathews Awarded Trophy For Best Story

Creative Writing Contest winners attending Sir George Simpson Junior High (left to right) Anne Brett, honorable mention; Patricia Mathews, 1st prize; Mrs. Margaret Johnson, Diane Hoffmann, honorable mention; Tracy East, honorable mention; and Edward Gullberg, 3rd prize. Missing was Teddy Dykstra who was the 2nd prize winner in the contest.

At the end of a five-week Creative Writing Course, conducted at Sir George Simpson Junior High, several junior authors were singled out from a total class of 37 participants. For their efforts, the youngsters were given a trophy and runners-up received honorable mentions.

In charge of the project was vice-principal Nick Chodan who received the co-operation from the Provincial Cultural Affairs Department. It was through this liaison that Mr. Chodan was able to obtain the tutoring services of Mrs. Margaret Johnson a member of the Canadian Author's Association (Edmonton Branch).

Last Wednesday afternoon Mrs. Johnson presented the author of the story rated best from amongst the 37 entries. She presented the trophy to Patricia Mathews during a brief ceremony held in the school.

Contract Awarded for grading of Villeneuve Road

An announcement from the office of the minister of highways and transport late last week revealed that a contract has been awarded for grading and other work on 12 miles of secondary road from Edmonton to Villeneuve.

The release from the Hon. Clarence Copithorne, indicated this highway work is in the St. Albert Constituency.

The lowest of 11 tenders

was accepted at a total price of \$238,708.75. The contract went to Graham Bros. Contracting of Strome and Simons Contractors Ltd. of Fort Saskatchewan.

The contracts were awarded for grading and other work on the Secondary Road No. 632, from the Edmonton city limits to the junction of Secondary Road No. 794, South of Villeneuve, a distance of eight miles. Also, Secondary Road 794, from the junction of Secondary

Road No. 632 to Villeneuve, a distance of four miles.

Cadets have lesson on traffic dangers

The St. Albert Air Cadet squadron had their eyes opened to traffic dangers in a dramatic way, when RCMP Constables Stan Lidsay and Mike Hamble showed two excellent films at the cadet meeting last Thursday.

"Wheels of Tragedy" realistically depicted how tragic and gory accidents

The Pioneer 10 spacecraft now streaking toward the planet Jupiter should become the first man-made object to escape the solar system.

can be, and brought comments from the 22 members in attendance which showed how much thought it provoked.

The second film "A Day in Court" showed other most unpleasant incidents resulting from careless driving.

The films were presented in conjunction with the defensive driving course under the instruction of Mr. Larry Boslak. This course opens the final semester of training for the #533 Squadron, and is designed to enable the cadets to realize the hazards arising from every-

day driving. In this way they will be prepared to become better drivers when they undertake formal driver training on their own. The constables have donated their time to assist in cadet training.

Breakfast Lions Plan Auction Sale

The Breakfast Lions Club will again spearhead a Clean-Up campaign in St. Albert this year, as they did in May 1971. All citizens have, are or will be spring cleaning, in the basement or the garage, and in the attic, and will be wondering what to do with the old articles stored there. There will be a tendency to "hang on" as has been done in the past, "because they may come in handy some day."

The Lions suggest that your basement, garage and attic space is valuable, and the used articles are also valuable when turned into cash and used in furthering the projects that Lions undertake, such as the Lions Band, work with Senior Citizens, contributions to the Library and the Arena Fund. The club is now planning a band-shell in Lions Park and, together with monies raised last year and this year, the band shell will become a reality.

There are many people, young and old, who can use a slightly used TV, an old washing machine for the cottage. How about that old bike that is still in good shape but nobody rides. Tires, lawn mowers, pictures, chairs, books, toys, tools, etc. etc. Your surplus may be someone else's need and the Lions would like to assist in the exchange mechanism. Pick ups for Wednesday evenings and Saturday mornings can be arranged by phoning the following numbers - 539-3430; 5217; 7833; 6816; 8864; 5166 3456; and 7550. Watch for our posters setting out the time and place of the auction. May 27 is the day.

St. Albert High News

PITCH & SPICE PRESENT JESUS CHRIST SUPERSTAR

On Saturday and Sunday of last week the singers presented Jesus Christ Superstar to capacity crowds in the R.C. Church. After both groups presented a series of selections. Major solos were sang by Ray Huberdeau as Jesus, Peter Byl as Judas and June Borie Debbie Kremer and Dianne Sheehan each sang one of Mary Magdalene's parts. The challenge and hard work by the choir and Father Duchesneau was appreciated by the audience as they proved by standing ovations on both nights. Now the groups will brush up for a trip to Grande Prairie on May 6 and 7.

A two record set will be made if enough interest is shown. If you are interested or want more details, sign your name at the office or see a choir member.

THANK YOU:

The Pitch & Spice groups would like to convey their thanks to the staff, administration and students of SAHS. Without whose cooperation last weekend's performances would not have been so successful.

GIRLS GYMNASTICS:

The school's girls gymnastics team brought home the Aggregate Trophy Tuesday, April 25. Congratulations to the team of Maggie Bourgeois, Janet, Lorna and Linda McGillis, Cathy Sheehan and Sharon Willis.

Lorna won the girls individual Aggregate and Cathy won the junior girls aggregate also.

BOYS SOCCER:

The boys' soccer team, made up of students from PK and SAHS, lost their first game last week, 2-0. They are playing in the city league and plan to win the remainder of their games.

SPEAK-OFFS:

Last Tuesday Colleen Sheehan squeezed by Debbie Kremer to get the Gr. 10 championship. June Borie and Jocelyn Durocher will be representing Gr. 11 and 12 on May 3 at Sir George Simpson for the St. Albert ATA Local Public Speaking.

ABOUT THIS YEAR'S YEARBOOK:

This year's edition of the yearbook will not be distributed until the beginning of

the fall term. We have made this decision for several reasons. First it will enable us to include the graduation pictures in the same book with the Grade 12 pictures and secondly we can include such things as Spring Prom, public speaking, track and field etc. These are normally included in next years book because we had to meet publishing deadlines in April.

We have also discontinued the biographies and the set up of the book has been altered. The addition of color pages and large prints makes it more interesting. The cover design is new and unique to our school thanks to Debbie Small, the inside cover design sketched by Roger Belly makes it original.

With these few changes we hope you enjoy our yearbook.

Any beefs see your editor Denise Gravelle.

Hakodate, the chief seaport on the northern Japanese island of Hokkaido, was founded in the 13th century. It was a small fishing village when Commodore Matthew Perry visited in 1854 and observed that Hakodate boasted one of the finest natural harbors in the world, the National Geographic Society says.

ST. ALBERT PROTESTANT SEPARATE SCHOOL DISTRICT NO. 6

GRADE 1 - PRE-REGISTRATION

(To facilitate the work of district educational administrators for the 1972-73 School Year the cooperation of parents is requested in this pre-registration of beginners).

REGISTRATION: (by parents at neighborhood schools) THURSDAY, MAY 11 -- 9:30 - 11:30 a.m. Parents are requested to supply proof of child's age.

SCHOOL BEGINNING AGE: Children who are six years of age by February 28, 1973

ATTENDANCE AREAS:

Grandin Park	Robert Rundle	599-4475
	50A Grosvenor Blvd.	
Sturgeon Heights	Leo Nickerson Elementary	
	10 Sycamore Ave.	599-4426
Mission Park	Sir Alexander Mackenzie	
Brasside	61 Churchill Ave.	599-4467
Lacombe Park		
Forest Lawn		

GRADE 1 ORIENTATION PROGRAM: JUNE 21 - 27. Details of program to be announced at a later date.

300 Sign for pedal pushers

Three hundred children have signed up for the Pedal Pushers sessions which begin Tuesday, May 9 and run through the 10th, 11th and 12th with a wind-up on Monday the 15th. Six areas have been designated and the sessions go 6:30 - 7:30 each evening. Lorraine Moore who is chairman of the program for the Lady Lions said the parents response was just great but more help may be needed at Vital Grandin and Sir Alexander Mackenzie schools. Anyone willing to assist should telephone Lorraine at 599-8143.

A group from Morinville are thinking about a similar program and attended the training session here. They asked if Mrs. Moore would assist them in getting it organized, which she is going to do.

Mayor Ray Gibbon turns the first sod for the new bandshell being constructed at Lions Park by the Breakfast Lions Club. From left are Lions Harry Hutchings, Nels Hovedskov, Charlie VanElslande, Dr. Cuts, George Simpson, John Kaminski, Mayor Ray Gibbon, Walter Franci, Pat Heiten, Luther Malmberg, Jim Maguire, John Huberdeau.

Lions award contract For New Bandshell

John Kaminski, president of the St. Albert Breakfast Lions Club, has announced that the club is committed to erect a new bandshell in the Lions Park with June 1st as completion date. The contract has been let to Loma Construction at a total price

of \$6,000 and the building was designed by Walter Franci of Franci Associates, who is a member of the Lions Club.

The design selected is of concrete and concrete block, which will produce the required durability and acco-

oustical qualities. The building will measure 50 feet across the front and taper to 20 feet at the rear. Total height will be 16 1/2 feet at the front and 10 1/2 feet at the rear with a floor area of 700 square feet.

With the proceeds from the Bike-a-thon and the Lions Auction to be held on May 27, the Lions hope that they will have to borrow very little to complete this project.

Around Town

The St. Albert 69ers Camping Club are holding a birthday celebration with a "Pot Luck" supper at Laurier Park. Activities get underway at 2 p.m. on Sunday, May 7.

For further information phone Mrs. Brige at 599-8290. All people who enjoy any form of outdoor camping are welcome to join the 69ers and get in on their summer family outings.

The local fire department was called out Tuesday evening at about 7:30 to fight a grass fire at the Viscount Estates. Flames raged for over two hours before the St. Albert fire fighters were able to bring the situation under control. No damage to property was reported.

Ninety Guides of the St. Albert Division will be going out to Lacombe Camp at Lac Ste. Anne on the weekend of May 12 and 13. Pauline Vaugoeils has organized this annual camp each spring for many years, and is in charge again. There is a mammoth number of details

to arrange for such an outing, but Pauline seems to have an inexhaustible supply of enthusiasm and energy when it comes to guiding. The girls will have training for badges in the guide outdoor program, with lots of fun activities thrown in.

The Bank of Montreal on 19 Perron Street here will be holding an 'Open House' Thursday and Friday, May 11 and 12. Free coffee and cake will be served. Manager Moe Gervin and his staff have the welcome mat out for anyone wishing to say hello or get acquainted.

In Canada each year some 2,000 children under 15 die from accidents and another half a million are injured. Most of these accidents could have been prevented, says the Canada Safety Council. Today's children live in an exceedingly complex world. An important part of their education is learning how to live safely in our modern, fastmoving society and it is the responsibility of all adults to guide children from the hazards that surround them.

Lions, camels, elephants, and 12-foot-high mammoths roamed Alaska 12,000 years ago, National Geographic says. They lived on interior grasslands sheltered by mountains from the ice that blanketed much of the Northern Hemisphere.

PROCLAMATION

"SPRING INVENTORY WEEK"
MAY 6 - 13, 1972

WHEREAS:

- Spring is a traditional time to take stock of and clean up dwellings as well as other premises, and
- Trash and un-needed articles are potential physical dangers and fire hazards, and
- Pop bottles and paper can be converted into funds by the Cubs and Scouts, and
- Un-needed articles can be converted into community services by the St. Albert Breakfast Lions Club, and
- Community cleanliness is desirable,

THEREFORE, the week of May 6 - 13 is hereby proclaimed "Spring Inventory Week" in the Town of St. Albert.

R. M. GIBBON, MAYOR,
Town of St. Albert.

NOTICE

FROM THE

LEGISLATIVE ASSEMBLY PROVINCE OF ALBERTA

A NATURAL RESOURCE REVENUE PLAN FOR ALBERTA

Re: Crude Oil Revenue Return to the Province

- Interested organizations or groups are invited to make submissions on this matter to the Standing Committee of Public Affairs, Agriculture and Education of the Alberta Legislature.

Notice in writing of intention to make a submission must be received by the Chairman no later than 5:00 p.m. on Wednesday, May 10, 1972, with such notice containing a description of the public organization or group. The notice should be mailed or delivered to: Dr. Don McCrimmon, M.L.A., Chairman of the Standing Committee on Public Affairs, Agriculture and Education, c/o Room 315, Legislative Building, Edmonton.

- Copies of the Alberta Government Position Paper entitled "Tentative Natural Resource Revenue Plan", tabled in the Legislature on April 24, 1972, may be obtained by writing to the Chairman, Dr. Don McCrimmon, M.L.A., at the above address, or by calling in at Room 315 in the Legislative Building, or by telephoning 229-3995, Edmonton. Copies may also be received by contacting Mr. J.J. Seymour, Director at the Office of the Premier, Southern Alberta, Mezzanine Floor, J.J. Bowlen Building, 620 7 Avenue, S.W. Calgary, or by telephoning Calgary 268-8541.

- Written submissions to the Committee in 100 copies must be delivered to the Chairman, Dr. Don McCrimmon, M.L.A., or left for him at Room 315 in the Legislative Building, Edmonton, no later than 5:00 p.m. Wednesday, May 17, 1972 in order to be considered by the Committee.

All submissions should contain a summary of not more than two or three pages.

The Committee may request that the public organizations and groups appear to present an oral statement in support of their submission at a public hearing.

LEGISLATIVE ASSEMBLY

PROVINCE OF ALBERTA

You chess players out there who feel you can match strategy with Doug Eason of 18 Spruce Crescent, St. Albert, stand up and be counted because Doug is just raring to meet you across a chess board. Doug was just awarded the Sir Alexander Mackenzie School's chess trophy after defeating all contenders in his school. SAM teacher Mr. Gould awarded Doug the trophy and feels confident his protegee is ready for an open challenge. Doug is 16 years old, in Grade 9 and has been playing chess for three years.

190 Summer jobs open at Militia District

Under the Canadian Forces Student Summer Employment program, the Edmonton Militia District has 190 vacancies available for high school and other stud-

ents of higher learning. Colonel D. D. Kuchinski of the Militia District says young men and women 17-24 years of age and physically fit are welcome to apply and

Local student preparing for Newfoundland visit

Again this year, 24 students from the St. Albert school system will exchange visits with their counterparts from eastern Canada. On July 8, 12 students from each of the two St. Albert school districts will board an Air Canada plane and head for the farthest eastern province of Canada. They will land in Stephenville, Newfoundland from where they'll be transported by bus to Gillams, Bay of Islands at Templeton Collegiate.

While in Gillams, our local ambassadors will visit with families, get acquainted with the new area and see first hand how their fellow Canadians out there live, work and play.

About three weeks of this cultural exchange, about 24 students from Newfoundland will escort our young ambassadors to St. Albert and then, it will be their turn to find out how Westerners work, live and play.

A full itinerary starting

July 19 is scheduled for the eastern youngsters during their stay in St. Albert. Dr. W. Cuts, trustee of the Protestant Separate School told the board last Wednesday. Trustee Cuts, co-ordinator of the student exchange trip told the board in his report that the schedule of events for the young Newfoundlanders will include a trip to Jasper National Park, a visit to the Game Farm, time spent at Klondike Days in Edmonton plus local functions such as a banquet, barbecue and possibly a local rodeo. The eastern ambassadors will start back for their home July 27.

Chaperones from St. Albert are Mr. and Mrs. R. J. Heyworth. The air fare will be paid through a federal government grant and other expenses will be covered through funds raised from the sale of chocolates and other projects. "The only costs borne by the two school boards," said Trustee Dr. Cuts "will be those involving bus trips to the airport, game farm, Jasper Park and around the district." Dr. Cuts concluded his report by saying that each St. Albert student, participating in the exchange trip may be assessed a certain amount of money if required. He hinted that that amount would not be more than \$75 per pupil and possibly less.

advises them to "drop-in" at the Prince of Wales Armoury Wednesday evenings or Saturday mornings for information.

Commencing July 3, the program of basic soldering fieldcraft, etc., will run for six weeks and include a one week bivouac in the field.

The program is based in Edmonton and is of a five-day week design. Students live at home and have their evenings free. They will be paid \$8.50 a day.

Jens Jorgensen at left and part of his crew at work last Friday at Lions Park. With the help of Walter Belcourt, Wesley Cunningham, Francis Durocher and Fred Freeman, Jens has the Local Initiative program ahead of schedule.

Lions Park project ahead of schedule

Lions President, Ken Moore, reports that work at Lions Park under the LIP grant project is ahead of schedule. Materials have been ordered for the dual purpose service building, which is next on the list of

things to be done. Picnic sites in the new area will be ready for use this summer as well.

Jens Jorgensen, who is in charge of the work, said he was most grateful for help donated by local truckers and town hall. Fred Free-

man donated his truck to pick up lumber, Andy Ewart and Al Grey each donated a load of sand for the children's playground, and the town donated gravel for the area at the front gate.

The Lions Park committee wants every visitor to enjoy the park and have lots of fun there, while adding "please keep our park neat and clean." An official opening day will be scheduled in June.

AROUND TOWN

Boys of the 5th St. Albert Cubs and Scouts still have a few deliveries of fertilizer, and will be completing these as soon as possible. They report excellent support both from the residents of St. Albert and the parents who helped with delivery, which was appreciated very much, and funds realized will be put to good use in their activity programs.

Our May meeting will be "Nomination Night." So ladies let's have a good turnout.

Auxiliary Buys Furniture For Home Lawn

April 30, this month was set aside as "Respect for Life Day." This year's theme is "Aged in the Family of Man." We, involved with the Youville Auxiliary feel we are doing our little share for our Senior Citizens, at least those in the Youville Home.

Canadians at large are asked to be more aware and more concerned with the dignity, rights, and needs of our Senior Citizens - the spiritual, social, cultural

and economic life of the aged in our society of 1972.

The ladies of the Youville have always many projects to fulfill. Our latest was the purchase of over \$400 of summer furniture for our patients. This is only one of many.

We hold regular bingos every third Thursday of the month for our patients. And we hold our meetings every second Tuesday of the month at the Home. So if anyone is

at all interested, please contact me - Mrs. Irene Cherkas - 599-6963.

The Haida Indians were the Vikings of North America's west coast, trading and raiding in 50 foot long canoes, National Geographic says. Settlers brought European diseases that decimated the tribe, and today only 1,500 live on the Queen Charlotte Islands off British Columbia.

The Canadian Red Cross Blood Transfusion Service maintains 16 Blood Transfusion Depots strategically located in every province. Depot staff, specially trained nurses and technologists, are responsible for collecting, testing, storing and distributing blood to all hospitals in their areas.

contemptra^{*} beautiful conversation piece

Dan Penrose and Ron Nymeyer, Grade 5 students at Leo Nickerson school, won the Petroleum Society prize at the Regional Science Fair held last month in Edmonton, for their "from ground to refinery" display. They received a \$25 cash prize at the Fair. On Thursday morning Mr. Don Towson, chairman of the students affairs section of the Society's Edmonton section brought the engraved plaques out for the presentation to the school and the students, which accompanies the prize. Mrs. Gafuk, science teacher holds the school plaque at left, Dan and Ron have their personal plaques and Mr. Towson looks on at right.

Citizens Invited To Mark Canadian Police Week

This year, May 15 to 20 is Canadian Police Week and senior nco's of RCMP detachments in St. Albert and Morinville extend a cordial invitation to all citizens interested in getting better acquainted with their law enforcing agencies.

Detachment offices will be open to visitors from 9 a.m. until 5 p.m. by appointment. Groups are especially

urged to avail themselves of this opportunity.

Cpl. E. Dugale of St. Albert and Cpl. D. Rooke of Morinville told this newspaper that they both are available for speaking engagements during Canadian Police Week. This year, being the second annual Canadian Police Week, adopted for its theme, "Partners With Tomorrow's Adults."

Breakfast Lions Ed Dunk, Harmon Freethy, Les Carlson, Jim Maguire and Doug Freethy are getting ready for the onslaught on happy customers as they cash in at last year's auction sale. The Lions are preparing for their second annual auction to be held in the arena on Saturday, May 27.

Father Colin Levangie has a happy smile as he congratulates the students at Vital Grandin School on the success of their Flea Market, which raised a terrific \$755 for the Share-lent program this year.

Blood Clinic needs donors

Aldo Myrthue of the St. Albert Kinetite Club's service committee, reports an urgent need for donors at the May 15th Red Cross Blood Donor Clinic.

The hospital here uses a lot of blood, and if the spring clinic is not well attended, shortages may be faced in the summer, when people are mobile and it is difficult to renew supplies.

The Blood Donor Clinic will be held at the St. Albert Community Hall from five until nine p.m. Anyone from the age of 18 years and up who can assist is urged to attend.

1972 marks the 25th anniversary of the Red Cross Blood Transfusion Service.

TRY A CLASSIFIED
THEY REALLY WORK
PH 599-7144

The teacher walked into the noisy classroom, slapped his hand on the desk and ordered sharply: "I demanded pandemonium!"

The class quieted down at once. "It isn't what you ask," he bragged later in the teacher's lounge. "It's how you ask for it."

Around Town

A paper bin has been located on the parking lot at Town Hall in connection with the upcoming paper drive being conducted by 4th St. Albert Cubs and Scouts. Residents are asked to save their papers and deposit them in the bin. On May 6 the boys will be conducting a door-to-door drive collecting all kinds of paper products, boxes, cartons, old paper backs and so on.

Brian O'Toole, who has completed his first year at university will be working at the St. Albert swimming pool this year.

Ken Browne, who started work with the ALCB in St. Albert recently has been transferred to the Beverly store.

Darwin Schwartz who suffered a shoulder injury in the latter stages of the hockey season is out of hospital and sporting a sling. Darwin

played in the commercial league this winter.

Doug Kane is working at his dad's firm, Kane Veterinary Supplies on the south side, Edmonton.

John Kambouroff, almost unrecognizable but very natty in his new suit, is employed at the new Passport office in downtown Edmonton.

BON ACCORD

By Sadie Allen

The end of 12 long years of schooling for Judy Abramski, Janet Broda, Deb Bodnar, Gail Chubb, Connie Mulligan, Donna Zinick, Sandra Belchick, Edwin Braun, Gordon Brennan, Barry Newman, Dorothy George, June Hodgins, Henry Kott, Nick Kreway, Heather Mulligan, Louis Neilson and Glenn Strawson was marked on Friday, April 21 when commencement exercises were held at M.E. Lazerte High School. Students were held with scrolls. The graduation banquet and dance were held at the Edmonton Inn in the Crystal Ballroom, on the following night. Congratulations and best wishes for success in your future endeavours to you all.

The dance honoring our senior hockey team which was postponed due to inclement weather on April 22 will be held on May 6. Tickets are available from any community centre board member.

Brownies and guides will hold their mother and daughter banquet on Wednesday, May 10.

Dale Lewis is currently in Guelph, Ontario where the Red Deer Rustlers Junior hockey club are playing Guelph CMC's for the Centennial Cup. Dale has had a most successful season with the Rustlers, coping third place in the league's scoring race.

Eighty-eight hardy souls braved the weather on Saturday, April 29 to take part in the B.A. sports walk with 29 completing the course. A special thanks to all those who walked, the sponsors and everyone who manned the check points and patrolled the roads picking up drop outs and carrying warm apparel to the walkers.

Softball and baseball get underway on May 8 and 9 respectively. Girls will have games on Mondays and Fridays.

days and boys on Tuesday and Thursdays. Coaches and players appreciate an audience so let's all turn out and enjoy that extra hour of daylight.

Congratulations to Mr. and Mrs. Ray Yakimetz on the birth of their son on April 25.

If enough people are interested in taking the course for playschool instructors one could be arranged for Bon Accord. Leave your names with June Anderson 298-3507 or Carl Royan at the Municipal office, Morinville.

Mr. and Mrs. Z. Demers have sold their home in Bon Accord and have moved to Redwater.

The Community Centre Board held their regular meeting on Monday, April 24. After the business meeting members surprised chairman Bill Carleton with a cake in honor of his birthday.

Congratulations to Henry Kott who set records in all three lifts in the 181 lb. class in the Edmonton High School Olympic Weight Lifting championships held on April 22.

A "Happening" will take place at Bon Accord United Church on Friday, May 12 at 8 p.m. Everyone is welcome to attend.

Paul and Shirley Cheramy of Bon Accord Trailer Park proudly announce the arrival of twin sisters for Reginald: Catherine Louise weight 3 lbs. 8 oz. and Jody Paullette, 3 lbs. and 15 oz. on April 24. Congratulations.

MORINVILLE MEMOS

By Rose Martel

Last minute reminder to all parents of children who will take swimming lessons this coming July and August, that registration will take place in Morinville on the east balcony of Notre Dame school on Wednesday, May 10th between 3 - 4:30 p.m. Medical certificates must accompany applications and total fees for each two week course, complete with transportation and pool registration is \$10 per child. Mrs. Jules Carigan and Mrs. H. Robinson are in charge of registrations.

Mr. Robert Anderson, local manager for Plains-Western gas, accompanied by Mrs. Anderson, attended the company's annual convention in Edmonton last week.

Guide Commissioner Mrs. Lina Keith and Mrs. Lucienne Carigan, secretary for the Mother's Local, official sponsors of the Morinville Guides and Brownies, travelled to Banff for the annual guide and commissioners convention for the Alberta division.

Credit Union Manager, Mr. Maurice Perras, accompanied by director Mr. Norman Meunier, travelled to Banff to attend the annual manager's conference.

Mr. and Mrs. Maurice Reid returned last Saturday.

NOTICE

Due to circumstances beyond our control - the G & G Greenhouse in Morinville will not be in operation this season. NO PLANTS FOR SALE.

MORINVILLE

from a warm winter in Arizona and Texas to enjoy a bit of real winter weather in Morinville, with a good snow storm going on at the time.

On Wednesday, April 26, the Morinville fire volunteer brigade responded to a fire at the farm of John McEae, located two miles south and six west of Morinville. According to report received, a grass fire went out of control, and began scorching the farm residence of the bachelor farmer. Some damage was done to the home, but it was saved from being gutted.

Among those reported in hospital this past week were the small daughter of Mr. and Mrs. Cliff McGinnis, Mrs. Audrey Borle, Mrs. Hector Ricard, Mrs. Louis Houle and Mrs. Albert Dupuis.

This weekend the Guides and Brownies will hold their annual guide cookie sale. PLEASE . . . be kind and generous to our little girls when they come calling at your place of business or residence.

The United Church ladies recently met at the home of Mrs. Sidney Weiss and plans were discussed for the Mother's Day tea and bake on May 13 in the Legion Hall from 1 to 4 p.m. Recently the group had Mr. John Bocock, from RR 1 St. Albert, as their guest at a special meeting. A film on Moral Rearmament in Switzerland and India was shown. It was an interesting experience to learn of the missionary work going on in those countries, under the Moral Rearmament Society. The Morinville Christian Ladies were invited to join the group for the occasion.

The cancer fund drive is proceeding in Morinville under sponsorship of the UCW

and a group of volunteers.

Armand Himschoot and his son Arnold were business visitors in Morinville last week. The family is now farming a large farm in the Smoky Lake area. While here they visited Mr. and Mrs. Theophile Himschoot and brother Octave.

Mr. and Mrs. Clement Lavallee were recent visitors in Morinville.

Mr. and Mrs. Romeo Boissonnault left by plane for a two week trip to Portugal on Tuesday.

Mr. Gerard Pelletier left last Sunday, for a two week spring holiday in B.C.

The RCMP have found a pale green mustang type bike, with wire basket and no front fender. Owner may claim by identifying it.

Napoleon Cote Dies at 93

By Lucienne Montpetit
Mr. Napoleon Cote passed away on April 26 at the age of 93 years.

Mr. Cote was born in Quebec in 1879 where he grew up and married Mary Nolan from New Brunswick. The couple came west in 1909 to settle in the farming district of St. Lina, where they raised a family of six children.

They moved to Legal in 1947 and have now made their home in the village for 25 years.

The funeral was held April 29 in St. Emile's church with Father Lucien Teller celebrating the funeral mass. The pallbearers were Raoul St. Jean, Don Nykolyszyn, Pete Aubain, Leopold, Leon and Marcel Normand.

He leaves to mourn his wife Emma, two sons Leon, New Westminster; Albert, Legal; four daughters Mrs. Aristide (Regina) Normand,

Gibbons Council plans work ahead

The new lagoon site was discussed at length at the April 12th meeting of the Village of Gibbons, and arrangements were made for a meeting with the land owner involved.

A representative from the recreation board met with council to discuss possibilities of getting an arena in Gibbons. The rec board has a project underway to help finance its many projects. They are selling tickets on a trip to Hawaii for two, plus \$100 expenses; or \$1,000 cash.

Plans for another possible development in Gibbons were also reviewed - the prospect of a Senior Citizens Home. These were tabled to the next meeting to await more information.

Councillors discussed summer work on sidewalks, curbs and street cilling, but until school requisitions come in, budget planning cannot go forward.

Edmonton; Mrs. Helene Normand, Legal; Mrs. Paul (Annie) Demeter; British Columbia; Mrs. Leo (Angela) Tanguay, Edmonton; 27 grandchildren, 42 great-grandchildren, and three great-great grandchildren, one brother Henri, two sisters Adriane and Amanda. Expressions of sympathy are extended to the bereaved family.

A letter from the Morinville Band was referred to the community centre. Council felt that the band would be appreciated for the July 1st parade.

Council passed a motion that new auditors be appointed for 1972.

Dogs are again a problem in the village. It would appear that dog owners are content to let their dogs run

loose with no regard for their neighbors property. A licensed dog does not allow dogs to run loose and the village bylaw will be enforced immediately.

Protestant School Board Endorses Lavalle Trip

Spokesman for a delegation of three, representing the French Enrichment Program, Mr. Michael Romanov explained to the board that funds were coming along toward making it possible to send about 20 St. Albert students to Lavalle University for six weeks this summer.

Mr. Romanov, accompanied by Mrs. A. Hapchyn and Mr. Aiken Armenian, asked if the board would provide financial assistance for this project in the event assistance from the federal government cannot be obtained. The board unanimously approved the sum of \$1,150 be allocated to the French Enrichment Program.

When asked of the financial standing of the group promoting the French Enrichment project and what were the chances of them obtaining federal assistance Mr. Romanov replied, "we already have raised about \$2,000 through a variety of fund-raising schemes and although the federal government has not yet answered our appeal, they haven't turned us down either," he concluded.

School trustee W. Penrose was reported seriously ill in an Edmonton hospital and due to his absence, which is expected to be for several weeks, his committee duties on the board were re-allocated to the other members of the school board.

The report of the separate school operational year 1972-73 from Superintendent Elmer Gish provoked a lot of discussion. The point of contention was the total number of instructional days in relation to operational days. Another point of discussion was the gradually shorter school year.

According to the School Act, a school year shall not exceed 200 days or be less than 190 days. The superintendent's report recommended a total of 197 days of operation of which there would be only 191 instructional days. Trustee C. Schroeder objected to this proposal and made a motion calling for 200 operational

days which would include 192 instructional days. That was defeated in favor of another motion, this one by Chairman of the Board J. Willschire who proposed that the school year include not less than 190 days and not more than 200. Motion was approved.

A further recommendation by Superintendent Gish was school commencement on August 28, 1972 at which time students will register, pay fees and receive necessary instructions regarding school opening. It was also approved by the board that August 29 would be a day required for staff organization and therefore students will not be required to attend. The first day of regular classes will then be August 30, 1972 and the first school day of the year will be June 22, 1973. In view of the superintendent's failure to have his recommended school year report accepted as is, he agreed to revise a new instructional/operational schedule as recommended by the board.

A new schedule of allowances for trustees authorized by the board to attend conventions and seminars was approved. Trustees will be paid \$60 for each day plus registration while attending ASTA conventions in Edmonton. However, this amount has been increased to \$100 per day plus registration and travelling expenses when the ASTA convention is held outside greater Edmonton. For attending conventions, seminars and conferences, trustees will be paid \$25 per day plus registration when the function is held in Edmonton or \$50 per day plus travelling and registration when meetings are held outside greater Edmonton.

The board unanimously approved a recommendation by Mrs. E. M. Martin that the board contribute \$5 per

day for 20 days during May and June of this year for Intern Teachers. These teachers are recent graduates who practice teaching methods in classrooms in anticipation of filling vacancies on staff. Mrs. Martin explained to the board that this was quite an inexpensive way of observing potential young teachers at work. Superintendent Gish agreed that the plan was a very acceptable one. He explained further that resignations from staff are anticipated and perhaps some of these intern teachers could fill the potential vacancies. Mrs. Martin replied that 12 such interns would be required. Dr. Cuts made a motion that 12 interns be accepted at the rate of \$5 per day for 20 days.

Additional topics discussed in the superintendent's report was total student enrolment for the coming year. Mr. Gish pointed out to the board that there has been a constant increase of about 200 students per year over the past two terms and probably next year's total enrolment will be about 2,800 if the same trend continues. "At present," said Mr. Gish

"our total enrolment as of the end of March 1972 was 2,611."

Trustees D. Munro asked if there was a system of liaison in effect whereby kindergarten pupils are being introduced to their future Grade 1 classrooms? Mrs. E. M. Martin, assistant-superintendent assured the board that the present Grade 1 classrooms will be vacated a few days before the end of the school year to give kindergarten students an opportunity to acquaint themselves with new teachers and new surroundings.

The board approved unanimously a recommendation from Superintendent Gish to advertise for a replacement principal for the Leo Nickerson school. This vacancy has come about as a result of Mr. Frank Carnahan's appointment to an overseas posting on a Department of National Defence base for two years. In the staff shuffle, R. Thronson has been appointed principal of Robert Rundle school while L. Thronson goes to Sir Alexander Mackenzie, thus leaving a vacancy at Leo Nickerson.

Town of St. Albert

Notice of Intention

Take notice that the Town of St. Albert intends to construct the following local improvements in the town and intends to assess the abutting property owners for the cost of the local improvements.

PAVEMENTS AND STORM DRAINAGE WIDTH

- (1) LANE: Between St. Anne Street and St. Michael Street, from Perron Street to Highway No. 2. 18'
- (2) LANE: Between Perron Street and Edmonton Street, from St. Anne Street to St. Michael Street. 14'
- (3) LANE: Between Perron Street and Lot 54, Block 5, Plan G, from St. Anne Street running north. 18'

THE ESTIMATED COST OF THE WORK FOR ITEMS:

- (1) Is Fifteen thousand three hundred and seventy five (\$15,375.00) Dollars.
- (2) Is Five thousand (\$5,000.00) Dollars.
- (3) Is Three thousand six hundred and twenty five (\$3,625.00) Dollars.

The estimated assessable rate per foot frontage to be paid by abutting property owners is:

	COST	Assessed Frontage
FOR ITEM (1)	\$1,695	1026'
FOR ITEM (2)	\$1.38	410'
FOR ITEM (3)	\$2.30	178'

The several amounts to be assessed against the abutting owners will bear interest at a rate not exceeding nine and one half (9 1/2%) percent per annum and shall be spread over a period of twenty (20) years being the estimated life of the local improvements and will be repayable in twenty (20) equal consecutive annual instalments.

Abutting property owners who desire to petition against undertaking the above works, must do so in writing addressed to the undersigned, on or before the 17th day of May 1972.

D. B. O'Connell,
Secretary-Treasurer.

At least two people were happy with the April snowfall last weekend. The two younger sons of Chris and Joan Gates needed a ladder for their extra-tall snowman job, constructed in their back yard at 42 Balmoral, Ernie Berg on Grosvenor had a similar idea and was good enough to let his three-year-old neighbor, Sarah, get in on the act, when he built a snowman on his front lawn, much to the delight of the wee girl. With any luck at all we are finished with snowmen for awhile?

TONY RAVEN, Ravens Poultry Products, first cyclist to complete the route (again).

Former Greek lawyer to be guest speaker at Presbyterian church

On Sunday, May 7 at the morning Service of Worship at Braeside Presbyterian Church, Dr. George A. Hadjiantoniou will be guest preacher. Born in Smyrna in Asia Minor, Dr. Hadjiantoniou graduated from the School of Law of the University of Athens, Greece with an LL.B. degree. He practiced law in the Greek capital for 10 years and it was during this time that he was asked to defend before a criminal court in the north of Greece, a group of Protestant Christians who were prosecuted for religious reasons. The criminal trial ended happily for the Christian group and their living faith in a risen Saviour made a lasting impression on the defence lawyer. Dr. Hadjiantoniou by the call of God was led to give up his legal practice and to prepare to become a minister of the Gospel of Jesus Christ.

Theological studies took Dr. Hadjiantoniou to Cambridge, England where he received training for the ministry and his M.A. degree. From Cambridge he went to the University of Edinburgh where he successfully completed the Ph.D. Degree in History.

With World War II in progress Dr. Hadjiantoniou could not return immediately to his native Greece so he was ordained in the Presbyterian Church in England and served as a minister there for four years. At the end of the war he returned to Greece with his wife and served as minister to a Greek Presbyterian Church in Athens for 16 years. During this time he also served a term as the Moderator of the General

Assembly of the Presbyterian Church in Greece. Dr. Hadjiantoniou has also written several books, some of which have been translated into English and at least one of them into Afrikaans.

In 1961 Dr. Hadjiantoniou received a call from Chalmers Presbyterian Church

in Calgary where he served as minister until his retirement last year. During his ministry in Calgary he also taught history at the University of Calgary on a part time basis. Now living in Edmonton, Dr. Hadjiantoniou lectures in history, at Newman Theological Col-

lege in St. Albert and tutors students in New Testament Greek.

"Dr. Hadji," as he is best known to his friends and students, is one of the scholars and statesmen of the Christian Church. A cordial invitation is extended to all to come and hear him on Sunday morning.

ST. ALBERT RECREATION

As advertised in last week's Gazette, applications for season tickets are now available at the town hall. The cost of these for residents of St. Albert are as follows: Family: \$36; Adult \$14.50; Student (13 - 17) \$12 and Child (12 and under) \$8.50. The deadline for the receipt of applications for family season tickets being paid for by special arrangement through the water and sewer billing is May 19 and to ensure receipt of tickets for the opening of the pool all applications must be received at the town hall no later than 5 p.m. on Friday, May 12. For further information phone the Department of Recreation at 599-6601.

Newcomers to St. Albert are referred to last week's Gazette for an outline of the schedule which will be in operation at the pool.

TENNIS: The lessons sponsored and organized by the St. Albert Tennis Club in co-operation with the Department of Parks and Recreation started this week. Because of the obvious interest in the class for ladies, a second one has been organized and is being held at 10:30 a.m. on Tuesdays. There are still a few openings

in this particular class and anyone interested in joining should phone Mrs. Wood at 599-8696 as spaces possible. Those enquiries won't be there for long! Enquiries about lessons are referred to the instructors: Bernice Parsons, Frank Carnahan 599-4475 Cynthia Sage 599-7624; Judy Wood 599-8696, Betty Ontkane 599-4644, Dale Jackson 599-6361.

The lessons, for which there has been a demand which can't be completely met, along with the use of the courts by the schools and the club-playing times, keep the courts very busy and the hours when they are free are very irregular. Anyone having any doubt about their availability should check before going to play with the Department of Recreation at 599-6601.

Street shoes must not be worn on the courts; tennis or gym shoes are the correct footwear. The surface is easily damaged and the courts must be treated with some respect, not as a parking lot.

TENNIS CLUB

The opening tournament for Juniors will be held on Saturday, May 15 at 1:30 p.m. Information about the club can be obtained by phoning

Dave Kirk at 599-7602.

CYCLING FOR LADIES: Before the Y Neighbors disbanded, a few of them decided they would like to go cycling during the summer. Any ladies interested in joining them on their first outing should meet at the tennis courts on Mission Avenue on Wednesday, May 17 at 7 p.m.

There is no cost and Mrs. Fleisher, the guiding hand behind this venture will be pleased to hear from anyone interested in joining the group. Phone her at 599-4500.

FAMILY CAMPING CLUB

The St. Albert 69ers Family Camping Club will be holding a picnic on Sunday, May 7 at Picnic Site No. 1 in Laurier Park, Edmonton. All members, old and new, are invited to bring along a picnic lunch and join the rest of the gang at 2 p.m.

In the event of the weather turning nasty (again?) the club will meet as usual in the library meeting room at 7:30 p.m. in the evening.

SQUARE DANCING

The next dance of the St. Albert Saints and Sinners will be held on Saturday, May 6 at 8:30 p.m. in Sir Alexander Mackenzie School. The dances on May 20 is cancelled.

Morinville pioneer couple celebrate Golden Wedding

MR. & MRS. HENRI RICARD

Mr. and Madame Henri Ricard (nee Merilda Plante of Washington) a pioneer family of the community and district, celebrated their Golden Wedding anniversary on Friday, April 28, with all their five children, 11 grandchildren and a great number of relatives and friends.

An anniversary mass celebrated by Rev. Father G. H. Primeau, who also gave them a special blessing on behalf of His Holiness Paul VI, after the renewal of marriage vows in St. John the Baptist church. Mrs. Bertha Kennedy was organist and soloists were Mrs. Muriel Krauskopf and Mr. Leonard Forcade.

Following the church ceremony a reception for some 350 guests was held in the Recreation Centre, followed by a buffet supper and a social evening, with Mr. Harve St. Onge as master of ceremonies. The happy couple were attended by Mr. and Mrs. Roland Ricard also of the district. For the occasion Madame Ricard was charming in a black and gold gown, complimented by a pink corsage.

Seated at the beautifully decorated head table were the guests of honor accompanied by their attendants, their five children and spouses. Mr. Gustave Ricard and Mrs. Ricard, Mrs.

Eugene (Agnes) Coulombe of Legal, Mrs. Cecilia Normandeau of Edmonton, Mr. and Mrs. Ambrose Ricard and Mrs. Lionel Forcade (Leah) also of Legal.

The toast to the bride was proposed by Mayor Arthur Stapleton. Reeve of the MD of Sturgeon, Mr. Walter Van de Walle, brought greetings on behalf of the municipal officials and residents of town and country.

Mr. Ricard was born in the Morinville district, the son of the late Mr. and Madame Gustave Ricard who arrived in 1895 from P.Q. and settled on a homestead east of Cardiff. He attended school at Roseridge, several miles away before the Cardiff school opened.

As a young man, Henri went to work as a labourer in Yakima, Washington. He later went to Maxee, Washington, to work in the hop fields, where he met a young lady, Merilda Plante, who was born and educated in Maxee. They were married

there on April 26, 1922.

They settled on a fruit farm and remained there 18 months before returning with their infant son, Gustave Jr. to the district. They homesteaded two miles east and half a mile south of Morinville, raised their family there, while managing a successful mixed farming operation.

Two years ago, after over 45 years of active farming, Mr. and Madame Ricard retired to the town of Morinville, where one of their favorite hobbies is gardening.

Mr. and Mrs. Ricard have a reputation for their warm hospitality, and Mrs. Ricard is an outstanding cook. They both take an active interest in their community and are good church supporters. Messages of congratulations read from Mr. Grant MacEwan, Lieutenant Governor of Alberta, Premier Peter Lougheed, Prime Minister Pierre Trudeau, and Governor General Roland Mich-

ener. Several other telegrams and messages of good will were received from out

of town friends and relatives from the States and other parts of Canada.

Legal Playschool Presents concert

By Lucienne Montpetit

The very charming boys and girls of the Legal Citadel Playschool delighted their parents and friends with a concert last Thursday marking the end of the year.

The little ones presented a variety program including songs, nursery rhymes, poems, a drill and a skit entitled "Three Little Pigs". Following the program Father Teller was called upon to present a diploma to each graduate which they received with pride.

Mrs. Georgette Cyr spoke on behalf of the mothers, thanking Mrs. Fabiola Hunting for her fine accomplishments with the children during the year. Mrs. Cyr then called upon Barbara Shank and Ricky Van Brabant to

present their token of appreciation to Mrs. Hunting. Barbara proudly presented a beautiful bouquet of natural flowers, while Ricky gave her a lovely evening purse.

Mrs. Hunting replied: She thanked the parents for their lovely gifts and said she had enjoyed teaching their children and it had been a wonderful experience for her being her first year.

Mrs. Hunting wishes to express her gratitude to Sister Simard and Mrs. Germaine Nault for their help, support, and encouragement during the playschool term.

Small boy to his pal: "I'd go out into the world and seek my fortune if I wasn't as dependent."

Simplot Ammonia

It'll help you do a whole lot better.

If you want to make your land work harder for you, produce more crop per acre and increase the profit potential of your operation, then you should be adding muscle to your soil with Simplot ammonia. Each year more and more Alberta producers are using Simplot ammonia as a source for feeding their crops nitrogen.

And the reasons for the success of Simplot ammonia as a fertilizer are quite evident: it saves your time and your labour. The easy handling qualities of Simplot ammonia cut down heavy, back-breaking la-

bour. Pumps and hoses do the work of bags and backs. And the equipment plants your ammonia fertilizer down into the soil. It goes to work for you adding muscle to your soil quickly and effectively. Best of all, your Simplot dealer can provide you the necessary equipment at no extra cost.

This year save valuable time and labour with Simplot ammonia fertilizer and add hours and increased yields to your profit potential. See your Simplot dealer. He'll help to get you growing.

District Rec Boards to form Regional Board

By Flo McGinnis

At the April 20 meeting of the Morinville Recreation Board, the "Regional Investigating" committee reported on a joint meeting in the MD offices on April 19 with members from Bon Accord, Gibbons and MD Recreation Boards. It was agreed at that meeting that each participating rec board would select a committee of two to form as Steering Committee to formulate policies and operations of a regional recreation board. The committee representing Morinville will be Flo McGinnis and Maurice Van Brabant, with Harvey Atkinson as an alternate. The first meeting is to be held May 17. The Morinville Rec Board, town council and school board will be receiving copies of all minutes so as to be up to date on all the discussions.

The regular meeting of the Morinville Recreation Board was held April 20, with six members attending and entering into discussions regarding the many aspects of recreation "for all." The president and secretary of the Ceramic Club were in attendance for part of the meeting to report on activities and plans for the club. They hope to obtain a set of tubs (rinse tubs, portable) for use in the club rooms, but right now money is the problem. Does anyone have such a set that they would care to donate or sell for a small sum? If you can help please call Claire - at 256-3423.

The Provincial Recrea-

tion Leadership School for 1972 is to be held at Drumheller from July 2 - July 29. The recreation board agreed to sponsor Terry Wojtkiw to attend this school, after interviewing him as to his aims and objectives. Terry will come back to Morinville and assist wherever needed with the recreation program. The board, and the town itself can only profit by Terry's attendance at this school, if they avail themselves of the knowledge and leadership training that he will receive.

The keep fit classes are still going strong with 54 ladies taking part and enthusiasm is reported high. This has proved to be a very interesting and enjoyable class for everyone and it is hoped that it can be continued within the fall.

On Tuesday, April 25 three members of the rec. board attended the meeting of town council, discussing activities and operations of the board. One of the discussions centered around teen representation on the board, and it was agreed that we would all profit by having teen ideas and suggestions close at hand. Now about some teens, are there any who are interested in assisting the recreation board in fulfilling its purpose: "to co-ordinate a full recreation program for Morinville"? Any of the young people interested are asked to call Karen Weston at 256-3517.

The resignation of the secretary Jo Anderson was received with regret. Jo has worked for and with the

board for a year and a half, and her efforts have been greatly appreciated. Now the board needs a new secretary! Recreation is not only sports, but includes arts and crafts, cultural programs, parks and playgrounds and many other activities. So the board is looking for someone who is willing to donate some time and effort to a very good cause - the people. Anyone interested and willing to serve in this office may call Flo at 256-3137.

Many people have suggested and requested a pedal pushers club, so the board is trying to work on setting one up - volunteer help needed again! If you are called on, please do your part so that a complete program can be held.

A defensive driving course has been advocated

in the past, and the subject has come up again, but so far the recreation board is not aware of just how many people would actually take part in something like this. It is impossible for the board to set up any type of program unless they hear from people who are "really interested." You can call Anne Kryskow at 256-3243 if you are ready to sign up.

Don't forget, the communication line is always open, and it is the people that the board works for and with. The seven members of the Morinville Recreation Board are: Flo McGinnis, Karen Weston, Anny Kryskow, Terry Rippe, Harvey Atkinson, Abe Carlson, and Leopold Boissoneault. If one isn't home try the next one so that the board may take advantage of YOUR ideas and suggestions.

VIMY NEWS

By Jeanne Laplante

Recently visiting at the home of Mr. and Mrs. Claude Huot was Mrs. Henry Caouette from Kelowna.

Congratulations to the junior high students who brought back the trophy for most aggregate points in the Westlock School Division Badminton tournament held in Westlock last week. Angela Knor and Pat Bernard each received a trophy for the mixed double events.

Holidaying at Fort St. John were Mr. and Mrs. Paul Regimbald and Son George.

Wedding congratulations are extended to Mr. and Mrs. Ray Ringette who were feted at a wedding social in the community hall last weekend.

Speedy recovery wishes

to Mrs. Rose Anna Blanchette, Mr. and Mrs. Alphonse Bilodeau who were hospitalized last week.

The residents of the district are happy to welcome Mr. and Mrs. Bob Bernard who have established residence in the area.

Everyone is welcome to the annual Sports Wind-up which will be held in the community hall on May 12 starting at 5:30.

Mrs. M. B. St. Arnaud has returned to her home for the summer after having spent the winter months in St. Albert.

Attending the CWL convention in Westlock were Misses Maggie Blanchette, Mary Bernard, Helen Joly, Allee Gagne, Lillian Bilodeau, Mariene Sabourin and Genevieve Kallal.

Card of Thanks

We wish to express our sincere thanks to all the people in Calahoo and District who donated their time, money and gifts. Also for the many acts of kindness during our fire.

Wilfred and Chris Berube, Calahoo.

St. Albert Parish Kindergarten ACCEPTING REGISTRATIONS FOR FALL TERM

RURAL RECREATION

By Carl Royan

SUMMER MUSIC
WORKSHOPS:

The provincial government, department of Culture Youth and Recreation, has announced the 1972 Summer Music Workshops to be held at Camrose, Alberta beginning July 10th.

The workshops have been divided into several levels, all with different dates and duration. Minimum age for the junior and senior levels are 13 and 14 as of July 1st 1972; and for the adult courses, age 18 as of July 1st. The instructors at these workshops are very prominent in the field of music so if you are interested in music or a special field of music, contact me at 256-3323 or 424-6276 between 1 - 3 p.m. for information on these workshops.

CREATIVE GYMNASTICS:

Creative gymnastics for pre-school and elementary school children is becoming

very popular in most regions of Alberta. This type of activity is oriented toward children getting physical exercise as well as a basis for more advanced levels of gymnastics. The pattern the classes follow allow the youngsters a great amount of freedom in their activities so therefore there is a great amount of creativity developed in them. If any group is interested in getting this activity started - contact me for information and assistance.

BASEBALL CLINIC: If anyone missed the baseball coaches clinic in Bon Accord but would still like to attend one, there will be a clinic held in Clyde on May 13 and 14. This clinic will go into quite a bit of detail so it would be well worthwhile attending. For applications and information on financial assistance contact me at the office.

Last row: Albert St. Jean, Ricky Van Brabant, Michael Holzer, Kevin Bolle, Dennis Rivard, Lance Peterson, Michel Pelletier.

Cotter - McDonell Wedding

Father Colin Levange conducted the wedding service for Rita Maureen McDonell, only daughter of Mr. and Mrs. Allan McDonell of RR #1 St. Albert, and Gavin Bryson Cotter, only son of Mr. and Mrs. L. S. Cotter of Mannville. The double-ring ceremony was held April 3 in St. Emerence Roman Catholic Church at Riviere Qui Barre.

Given in marriage by her father, the bride was radiant in a white floor length gown fashioned with lace bodice and puffed lace sleeves. The beautiful, flowing chiffon skirt was dramatised by lace along the hemline. Her bouffant veil was held in place by a lace Duchess cap, and

she carried a cascade of pink sweetheart roses.

The matron of honor, Mrs. Elaine Holub, and bridesmaids, Mrs. Barbara Thomson and Miss Judy Arthur were identical floor-length gowns in coral shade, fashioned with seersucker bodice and puffed sleeves, and flowing coral chiffon skirts. They carried bouquets of white and coral carnations.

The best men were Mr. Gerry Neufeld, Mr. Brian Roberts and Mr. Jim Matheson, all friends of the groom. The ushers were Mr. Ryan McDonell, brother of the bride, and Mr. Allan Miller.

For her daughter's wedding Mrs. McDonell chose a dress and sleeveless coat of mauve crepe with mauve accessories. Her ensemble

was complimented by a cascade of pink sweetheart roses.

The groom's mother, Mrs. Cotter, wore a blue tulle dress with matching white accessories and pink sweetheart roses on corsage.

A banquet was held at the Morville Centre. The bride's table was centered with a beautiful wedding cake in a roman style, decorated by Mrs. Harold and Melvin Clark. It was flanked by white candles and pink roses.

Master of ceremonies was Mr. Gary McDonell, older

brother of the bride, Mr. John McDonell, the bride's godfather, proposed the toast to the bride to which the groom ably responded.

Later in the evening a reception was enjoyed by some 400 friends and relatives.

For their honeymoon the bride changed to a two piece beige pant suit with matching orange accessories. The happy couple will make their home in Edmonton.

Out of town guests were from Washington, D.C., Saskatoon, North Battleford, Vancouver, and Calgary.

Legal High News

By Terry Keane

On Tuesday, April 25, a group of young people from Legal travelled to Westlock Public High School to compete in the annual North Central gymnastics championships. Succeeding well against the eight other schools there, Legal won an award for being the school who scored the highest number of points throughout the evening. Anne Kallal was the second highest girl athlete of the day. The boys fared extremely well in their competitions. Four out of the six top boy athletes were representing Legal; first place went to Jerry Krauskopf, second place winner was Jerry Charrois, third

place winner was Denis Pelletier, and fourth place was taken by Richard Cornells. Other competitors eligible to go to provincials included Doreen Cornells, Dolores Prefontaine, Mick-ey St. Arnaud, Danny Prefontaine, Norman Foreade, Robert St. Arnaud, Henry Bombay, Paul de Champlain, Jerry Letourneau, Jimmy Hunting, and Laurier Douz-zech. Students were very proud that their school brought home the majority of the North Central honors.

The following Saturday these students travelled to Jasper Place Composite High in Edmonton to participate in provincials. The North Central Zone took

second place in grand aggregate points. Anne Kallal, besides winning third in free exercise, won a gold medal and was provincial high school champion in trampolines for the second year in a row. Fifth place in trampolines went to Doreen Cornells. Representing the boys Jerry Krauskopf won second in rings and was tied for fifth place with Bob St. Arnaud in vaulting. In boys' trampolines, Jerry Letourneau and Richard Cornells placed fifth and sixth, respectively. Congratulations are extended to all participants.

The Students' Union are having their May Queen con-

test and dance on May 13 in the school gymnasium. The girls competing for the title are Terry Keane, grade XII; Paulette Laplante, grade XI; Lorraine de Champlain, grade X and Judy Selworth, grade IX.

The Odyssey Band will provide the music for the yearly event. All parents are invited to attend.

Classified as in a London newspaper: "Attention to bottle makers. I offer you my services gratis. I will accept full bottles of sherry or Scotch and return them ready for insertion of ship. Prompt conscientious work guaranteed."

Wally Klatt visits Calahoo W.I.

By Liz McLeod

The Calahoo WI met at G. Schermund's home on April 24 with 13 members and four visitors present. Mr. Wally Klatt, DA for MD Sturgeon spoke to the group, and helped them finalize plans for the flowers and vegetable show. Date was set at August 23 in order that gardeners can plan their entries now.

Letters were read from Canadian Mental Health with regard to their camping program; and the Stony Plain Hospital Auxiliary informing us of the tea, bake sale and bazaar on May 13th.

President Mary Dalheim, constituency convener, outlined items pertaining to the constituency conference in Wabamun Hall on May 31 with Wabamun, Darwell and Duffield Institutes co-hosting. Registration is from 9 to 10 a.m. Members may bring hobbies for display,

putting name and branch on articles. Delegates should be prepared to answer questions on branch activities and projects and bring from her branch motions or recommendations to be put forth for study and action. Writing deadline - Constitution - April 30; Provincial - May 30.

Since this is the 75th year Anniversary of Institutes in Alberta Mary hopes each branch will do something for its community. She plans a ceremony at the conference and has asked two young members to wear a white ribbon from left shoulder to right side with name of province painted on in liquid embroidery. For Calahoo Emma Dalheim has Nova Scotia and Rosemary Dalheim, Alberta.

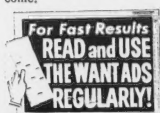

The cost of the noon meal is \$1.75 and the money to be paid in advance by May 15 or to let them know how

many plan to come.

Calahoo's delegate will be Mrs. F. Madeline Brown. The group voted to donate to the Wilfred Berube's and the Randy Quintal's, both of whom lost their homes by fire.

The May meeting will be held at Mrs. F. Brown's on Tuesday, May 23 at 8:30 p.m. with the subject Citizenship and roll call: "A law I would like to see enforced."

Friendly visiting and a delicious lunch with singing happy birthday to Emelia ended the April meeting. Visitors are always welcome.

PUBLIC NOTICE:

Proposed Gas Franchise

VILLAGE OF BON ACCORD

TAKE NOTICE that the Council of the Village of Bon Accord, in the Province of Alberta, has given first reading to By-law No. 56 which will, on final approval and ratification, authorize the council to enter into an agreement with Northwestern Utilities Limited granting to it a franchise for a period of Twenty years to supply natural gas to the Village and its inhabitants.

NOTICE THEREFORE IS HEREBY GIVEN by the Council of the Village of Bon Accord that unless a poll of the proprietary electors for and against the said By-law is demanded by the terms of the Municipal Government Act the said Council may pass the said By-law.

Of which all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

"Proprietary elector" means an elector whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes.

Fifteen per cent (15%) of the proprietary electors may by petition request a vote on a by-law under the provisions of Sections 311 and 7 of the Municipal Government Act.

1. The petition must be received by the municipal secretary within fifteen days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purposes and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition:

- (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
- (b) the address of the petitioner,
- (c) the occupation of the petitioner.

4. A corporation or a religious organization, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or religious organization.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more by-laws are advertised in a single notice, a separate petition shall be filed with respect to each by-law.

9. The date of the last publication of this Notice is May 10, 1972.

NOTE: If on receipt of a valid and sufficient petition the Council decides not to proceed with the by-law, a vote of the proprietary electors need not be held.

Legal girls thrilled to serve as usherettes

By Rita Larose

On Friday, April 27, 15 Legal girls were honored to present themselves as usherettes for Prime Minister Trudeau. These girls were asked by Edmonton officials, to be part of the evening program as usherettes in their well-known French Fete au Village costumes.

These consist of long black skirts with red sash and red trimmings around the ground - level ruffles. The skirts are worn with white blouses, attractive looking tammettes, and black gloves, giving them a dainty look.

With instructions to arrive early the girls were given special permission to enter the Sport-Ex Building to change and get ready.

Then they, along with the other usherettes of other nationalities, escorted officials, Cabinet Member representatives and the general public to their seats. The usherettes were given reserved seats, and the Legal girls were seated close to the Prime Minister. The French speaking girls then realized and appreciated the fact that they were bilingual and found the true meaning to their second language. A few of them had a chance to chat with Mr. Trudeau, and most of the girls were lucky

enough to say hello and shake his hand.

The girls were fortunate to represent Legal and to see and speak to the P.M. himself; but what really made them happy was being noticed and recognized as French speaking, well-dressed, friendly Legal girls.

The usherettes were given reserved seats, and the Legal girls were seated close to the Prime Minister. The French speaking girls then realized and appreciated the fact that they were bilingual and found the true meaning to their second language. A few of them had a chance to chat with Mr. Trudeau, and most of the girls were lucky

Calahoo Scorpions hold wind-up night

The Calahoo Scorpions hockey team held their annual wind-up banquet last Saturday night in Stony Plain and a large crowd attended. Master of ceremonies Ken Stevenson introduced the players and presented each one with a club jacket which looks very sharp.

Cosch Blackie Quintal had loads of praise for the players and his only regret was not getting by Namas in the semi-finals.

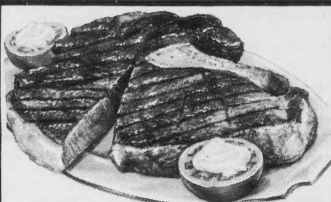

Individual trophies went to Jake Contant for the most valuable player as well as winning the league scoring championship. Goalies Gerald McGinn and Keith McKernan shared the league trophy for having the least

goals scored against them. The supper was smorgasbord style with the food just out of this world and of course the refreshments

went down quite well also. A big hand to the Calahoo ladies for putting on the meal and to Hector Berube for looking after the bar.

Minor Ball Underway

Roger Carlepy, co-ordinator, reports that the Little Canadian ball season got underway Tuesday evening when the St. Albert Devils, one of two midget teams defeated the city Kensington team in St. Albert. The other midget team, St. Albert Sinners will play their first game Thursday. Meanwhile Roger is busy drawing up the full schedule, under which play will begin at all

levels next week.

One more coach is needed for the Mosquitoes (ages 9-10) and anyone who could take over would certainly be appreciated. Phone 599-3771.

Twenty-five turned out for the Umpire Clinic held here last week, and were given a grueling five-hour training session (without a break) by Joe Arisman, chief umpire at Renfrew Park, and a resident on Sorrel Crescent. Most of the group were high school boys who could do a fine job and they will be paid \$3 a game, which always helps out.
